**MEMBERSHIP**

---

I recently read the following limerick. Today with everyone's busy schedule sometimes it is hard to do more than 'just belong'. Time constraint is a very valid reason - but if some of the others mentioned are the 'why you don't come to meetings or join the Association', please reconsider. We need input, comments and suggestions from everyone in our community. Our goal to keep Hiltonia a place where we all want to live and of which to be proud.

Are you an active member, the kind that would be missed? Or are you just contented that your name is on the list? Do you attend the meetings and mingle with the flock? Or do you stay at home and criticize and knock? Do you take an active part to help the work along? Or are you simply satisfied to be a "just belong"? Do you work on committees or see there is no trick? Or leave the work to just a few and talk about a clique? Come to the meetings and help the hand and heart. Don't be just a member - take an active part. Are you an active member or do you just belong?

**CRIME WATCH**

We've had a couple of incidents already - a handbag stolen from the dining room, several bikes stolen out a shed, turning of door knobs and ringing door bells to ascertain if someone is home or has left their door unlocked.

This is the time of year where we have to be extra vigilant. It would be a good practice to keep your porch lights on in the evening. Use your alarm - even when you are in the house. Be sure to keep your doors and cars locked.

As always please keep a watchful eye for suspicious cars, persons, etc. If you think something appears out of the ordinary but is not an emergency call the Police non-emergency number 989-4111.

If anyone (even if you are not on the Crime Watch Telephone Chain) experiences or hears of car thefts, burglaries, etc. be sure to call Bill Graff 393-4437 or Jean Harbach 392-6380 to start the phone calling. If you are on the Chain and get a Crime Watch call, please do your part - pass the information along ASAP.

---

**INTERNET MAILING LIST**

If you use E-mail you can participate in the list. As a subscriber you will be able to send information to everyone on the list - with one mailing - or ask for information. We try to alert residents to crime watch, remind meeting times, important updates, etc.

This is not a time-consuming enterprise. So, please sign up. To do so, contact Hal Szenes via e-mail at [szenes@princeton.edu](mailto:szenes@princeton.edu)

**WORTHY PROJECTS COMMITTEE**

Melinda Chance has volunteered to become the Worthy Projects chairperson. If you have any ideas for projects we can undertake this year, call her with suggestions. Thanks very much Melinda!!

---

**SUMMER SOCIAL**

The Hiltonia Board is trying to come up with a social event for this summer. The Holiday Party is always such a good time - why wait a whole year to get together. Do you have any ideas? Do we have some musical talent that would like to entertain at a backyard concert? The harpsichord concert we had one spring was a tremendous success, do we have other types of musicians willing to share their talent? Give any Board Member a call with your idea.

**EASTER EGG HUNT**

The Annual Easter Egg Hunt was again a delightful day for the children of Hiltonia. In addition to three prizes for each age group and candy for all, the children were excited to reveal surprises in each egg they found. Many thanks to Chris Zeppenfeld and Melinda Chance for "stuffing" all those eggs. Also thanks to Chris, Melinda and Eleanor Kubacki for their assistance in hiding the hundreds of eggs since the Easter Bunny was quite busy this year. A special thanks goes out to Margaret Cody of Renfrew Avenue for her \$25.00 donation to make the event even more special for the children and for the use of her backyard as part of the Hunt area. The remaining extra candy was donated to Anchor House. Submitted by *Jackie Kutch*

A giant 'thanks very much' to Jackie and her committee for

providing this special event for the children of our neighborhood.
